

With a reversing and stationary feature, these machines allow you to carry out compaction tasks in confined areas where turning would be difficult or impossible for a non-reversing unit.

Features and benefits

- Easy access for filling fuel and oil from the top of the body
- Access to air filter and battery via durable cover
- Fixed lifting point on the top
- Low oil and battery warning lights
- Strong protective covers mounted on a steel subframe with steel side plates for maximum durability
- Hatz engine for maximum performance
- Electric / recoil start available as standard
- Handles feature forward speed locking and are designed for use by left or right handed users
- "Click lock" system used to hold the handle in the transport position
- Rounded edges to the base plate eliminate the risk of creating marks on the surface
- Tow hook point located on the front and rear of the plate
- Shaped base plate to allow greater manoeuvrability

Details

Model number		DE35-42
Operating weight	kg (lb)	240 (529)
Plate width	mm (in)	420 (17)
Plate length	mm (in)	756 (30)
Frequency	Hz	80
Travel speed	m/min (ft/min)	26 (85)
Centrifugal force	kN	35
Engine		Hatz 1B20
Fuel		Diesel

DE35-42 Reversible Vibratory Plate

A GLOBAL COMMITMENT TO QUALITY

JCB's total commitment to its products and customers has helped it grow from a one-man business into Britain's largest privately owned manufacturer of backhoe loaders, crawler excavators, wheeled excavators, telescopic handlers, wheeled loaders, dump trucks, rough terrain fork lifts, industrial fork lifts, mini/midi excavators, skid steer loaders, tractors and compaction equipment.

By making constant and massive investments in the latest production technology, the JCB factories have become some of the most advanced in the world.

By leading the field in innovative research and design, extensive testing and stringent quality control, JCB machines have become renowned all over the world for performance, value and reliability.

And with a global sales and service network of more than 650 dealers and agents, we aim to deliver the best customer support in the industry.

Through setting the standards by which others are judged, JCB has become one of the world's most impressive success stories.
